

Dear parent/carer,

### **Cambridge Technical Sport – Coaching Moderation (Task R185, Task 4)**

As part of the assessment for the OCR Cambridge Technical in Sport and Physical Activity, students will be taking part in the Coaching Moderation linked to Unit R185 – Task 4.

Each student will be allocated a specific time slot for their moderation session. It is essential that they arrive at the designated area 10 minutes before their scheduled start time to ensure the session runs smoothly and on time. Students will be informed of their individual time slot in advance.

Please ensure your child:

- Knows their time and arrives 10 minutes before their session start time.
- Attends in full PE kit suitable for practical activity.
- Has uploaded their session plan to Microsoft Teams by Tuesday 21<sup>st</sup> 2025.

This moderation is a key part of their overall assessment and provides an opportunity for students to demonstrate their coaching ability and preparation skills in a practical environment.

If you have any questions or require further information, please do not hesitate to contact the PE Department via Mr Perkins [kperkins@tbcn.nor.olicatschools.org](mailto:kperkins@tbcn.nor.olicatschools.org).

Thank you for your continued support.

Yours faithfully,

Mr K Perkins

Head of Physical Education
