4th November 2026

Dear parent/carer,

We would like to inform you that on Thursday 12th November, all Year 10 students will attend a special assembly entitled 'Aim A Little Higher', delivered by the University of Northampton.

The assembly is designed to inspire and motivate young people to recognise their individual strengths, understand their potential and develop the skills and mindset needed to succeed, both in education and beyond.

Students will be encouraged to reflect on their personal aspirations, develop confidence in their abilities and recognise the importance of ambition, resilience and making positive choices about their futures.

This intervention forms an important part of our wider Personal Development curriculum and supports our commitment to raising aspirations, promoting personal growth and preparing students for the opportunities and challenges they will encounter as they progress through education and into adult life.

We believe this will be a valuable and inspiring experience for our Year 10 students, encouraging them to aim high, believe in their potential and take positive steps towards achieving their goals.

Yours faithfully,
St Thomas Becket Catholic School
