Dear parent/carers

I am delighted to share some marvellous news regarding the recent validated progress data for A-Level performance here at Thomas Becket Catholic School. These results are a testament to the hard work, dedication, and commitment of our students and staff, and we are incredibly proud of what has been achieved.

We are pleased to announce that our Sixth Form is currently ranked **5th in West Northamptonshire for A-Level progress**, with two of the top-ranking schools being private institutions. This remarkable achievement highlights the exceptional quality of teaching and support that we provide, ensuring that all our students are given the best opportunity to excel academically.

Moreover, we are **the top-performing school in West Northamptonshire for progress among disadvantaged students**. This is a truly significant accomplishment and reinforces our mission as a Catholic school to provide a high-quality, inclusive education that enables all students, regardless of background, to achieve their spiritual, moral and academic potential.

These fantastic results reflect the commitment of our entire school community to academic excellence and student success. We remain dedicated to ensuring that every student in our Sixth Form continues to receive the highest level of support and encouragement as they prepare for their future aspirations.
