Dear parent/carer,

We are delighted to inform you that your child has been selected to take part in My Student Brand, an exciting six-week personal development programme delivered by 'Aim A Little Higher'.

Your child has been chosen because we believe they would benefit from this unique opportunity to develop their confidence, communication skills, self-awareness, and aspirations for the future. The programme is designed to help young people recognise their strengths, understand their potential and equip them with the skills and mindset needed to succeed both in education and beyond.

Throughout the six weeks, students will take part in a series of interactive workshops that focus on three key areas:

- Confidence - understanding their strengths, values and abilities, whilst building self-belief and resilience.
- Clarity - exploring future aspirations, financial awareness, and creating a vision for their future.
- Communication - developing social confidence, relationship-building skills and effective communication techniques.

Students will participate in the following sessions:

- Week 1: Strengths, values and self-identity
- Week 2: Understanding money and financial decision-making
- Week 3: Designing their life by age 25
- Week 4: Self-assessment, reflection and improvement
- Week 5: Presence, relationships and social confidence
- Week 6: Ownership, goal setting and personal action planning

By the end of the programme, students will have completed a personal workbook, identified their individual strengths and values, developed a personal action plan and gained valuable skills that will support their future educational and career journeys.
