The lanyard colour corresponds to the student's year group, assisting staff and visitors in identifying students and ensuring effective safeguarding measures are in place. The ID card is not only critical for safeguarding; it also serves as a pass for accessing facilities such as the astro turf during lunchtime. If a student is found without their ID card:

- On the first instance, they will be issued a temporary card and receive a sanction.
- Repeated offenses will result in a phone call home and further sanctions.
- If a student accumulates sufficient points on their rewards system, a new card will be purchased on their behalf to ensure compliance.

Shoes: Students must wear black, polishable shoes at all times. Trainers, Crocs, plimsolls, sandals, and other types of inappropriate footwear are strictly prohibited. This includes footwear from brands such as Nike and Slazenger, which are often marketed as trainer shoes but do not meet our dress code requirements. Non-compliance with the footwear policy will result in sanctions being applied.

Non-Uniform Day Expectations: While non-uniform days allow students the freedom to wear their own clothes, we maintain certain standards to ensure safety and decency:

- Open-toed footwear is prohibited.
- Clothing considered too revealing, such as vest tops or tops that expose the midriff, is not allowed.
- Shorts must be of a reasonable length and should not have cut-out holes that expose excessive skin.

The school reserves the right to determine what is deemed acceptable, acknowledging that fashion trends are continuously evolving.

Expectations and sanctions

Uniform is fundamental in establishing a safe and nurturing school environment, where students learn the importance of adherence to rules and expectations. We expect all students and their parents to comply with our uniform policy consistently. Observing these rules fosters discipline, which is essential for hard work and achieving success in examinations. Students who meet our expectations tend to excel, and we anticipate parental support in this endeavour, aiming for the best outcomes for their children.

Non-compliance with the uniform policy detracts from the learning environment and undermines the school's ethos. Should a student fail to adhere to the uniform rules, the following actions will be taken:

1. Parents will be notified immediately.
2. The student may be placed in Learning Recovery until the issue is resolved.
3. If necessary, the student may be sent home to correct the uniform issue and is expected to return to school promptly. Failure to return in a timely manner will be marked as unauthorised absence and may result in a fine.
4. Repeated failures to comply may lead to suspension for defiance of school authority.

By maintaining these standards, we can ensure that all students can focus on their academic achievements.
